

Dear Junior Golfers and Parent(s),

Our main goal of the junior program is for the kids to have **FUN** as well as promote the game of golf to develop lifelong golfers. The league season will be seven weeks and will be every Tuesday morning starting on **Tuesday, June 14th, and will conclude Tuesday, July 26th**, with an end of season fun day and party. ***We will not be meeting in person on July 5th, instead your children will receive a pass for nine holes walking to use another day.*** The program will be split into 4 groups: 1 Advanced, 2 Intermediate, and 1 Beginner. All four groups will receive instruction before playing, with the beginner group receiving the most instruction each week. With two different Intermediate groups at different times, your junior will remain in the same time slot that they were signed up for throughout the entirety of the program.

ADVANCED

These are juniors who plan on continuing in golf in either tournaments or high school. They must be able to play with limited supervision, have an understanding of the golf course etiquette, and able to play a regulation golf course competitively. After receiving instruction, this group will play at least 9 holes every week. The league fee for the advanced group includes greens fees, instruction, league gift, and the end of season party. This group will check in at 8:00 each Tuesday morning. The high school prep / advanced group are limited to a maximum of 16 juniors.

INTERMEDIATE

These are the juniors who have some knowledge of golf and some experience on a golf course. These juniors will receive instruction before playing 9 holes with limited supervision. The intermediate golfers will be broken into two separate groups. Intermediate Group A will check in at 8:30, Intermediate Group B will check in at 9:15, each Tuesday morning. If the junior would prefer to play with certain other juniors within the intermediate group, this wish must be expressed on the league application form so that arrangements can be made. The league fee for the intermediate group includes green fees, instruction, league gift, and end of season party. Each intermediate group is limited to a maximum of 20 juniors.

BEGINNER

These are the juniors who have very little golf experience. These juniors will receive the most guidance and instruction before playing on the course. These juniors will have limited exposure to the course until later in the program, but they will receive the most on course supervision. This group will check in at 10:00 each Tuesday morning. The league fee for the beginner group includes green fees, instruction, league gift, and an end of season party. The beginner group is limited to a maximum of 12 juniors. **THIS GROUP WILL FILL FAST!**

Available To Junior Golf League Participants Only!

BACK BY POPULAR DEMAND We are offering an expanded junior membership as an option to junior league participants. For an additional \$195.00, league participants can receive **unlimited open play golf for the entire 2022 golf season** with **no** restrictions.

This play will **not** be supervised; the juniors will be playing without supervision. However, parents and grandparents are encouraged to join them for a discounted walking rate of only \$12.00 for 9 holes and \$18.00 for 18 holes.

At Foxboro we feel that junior golf shouldn't start and end with Junior League. While proper instruction is very important, the most effective way to improve your game is to **play more golf!**

JUNIOR PROGRAM POLICIES AND INFORMATION

- All applications must be paid in full at the time of registration. We will not hold spots for any unpaid juniors. After receiving the completed application, we will send out a weekly schedule that details what we will cover over the 7-week course. **The schedule will be mailed out at the end of May and will also include a rough estimate on expected pick-up times each week.**
- If any weeks are cancelled due to inclement weather, we will issue a 9-hole rain check for the junior. Rainouts will not be rescheduled. All decisions that are weather based will not be made more than 30 minutes prior to the start of the junior program.
- We will not issue rain checks, refunds or prorated fees for any weeks missed. Please check your summer schedule before registering to avoid any conflicts.
- If your child needs to leave early or play with a particular child for carpooling purposes, please have them make the instructors aware at the beginning of class so arrangements can be made.
- Any unsafe actions or lack of respect to the other students, volunteers, staff, or the instructors will not be tolerated.
- We believe it is the best interest of the juniors if we put less emphasis on trophies and awards, and instead concentrate on self-improvement, fun and most importantly, participation. Please discuss with your junior the importance of playing the number of holes they are scheduled for each week.
- With limited numbers in each group, it will give us a better opportunity for one-on-one interaction with each junior. Each class has a maximum number of juniors; once they are full, we cannot add to the group. We will have a waiting list for each class. Spots are available on a first come first serve basis and must be paid in advance.

If you have any questions concerning this letter, please feel free to contact **Brook at (608) 835-7789** or email me at **brook_s@foxborogolfclub.com**

Please feel free to pass this application along to friends and neighbors!
